Re: United States v. John Ebeling, et al.
Criminal Docket No. 10-696 (S-2)(JS)

Dear Judge Seybert:

The government writes to inform the Court and the parties that it sent the disks that Sean Burke provided to the government, which contained audio and video recordings made during the undercover investigation, to each of the prison facilities housing the defendants in the above-referenced case. The government sent the disks yesterday via overnight mail.

Very truly yours,

LORETTA E. LYNCH
UNITED STATES ATTORNEY
